

## **Enter My Facebook Cover Photo Contest – Winter Photos**

I'm very excited to invite you to participate in my Winter Facebook Cover Photo Contest! As we bundle up for colder weather, please submit your favorite high quality photos taken in Michigan that showcase our state's landscapes or locales in winter months or have a winter theme.

My last Facebook Cover Photo Contest received wide interest, resulting in over 400 photo submissions. If you did not get a chance to submit a picture last time, I hope you are able to participate this season.

To submit, please send the winter-themed photo, along with your name and where the photo was taken, to [PhotoContest@peters.senate.gov](mailto:PhotoContest@peters.senate.gov) by Friday, December 16. A collection of photos will be posted on my Facebook page on Monday, December 19. "Like" my page – [www.facebook.com/SenGaryPeters/](http://www.facebook.com/SenGaryPeters/) – to see the photos and vote for your favorite.

**The last day to submit photos is Friday, December 16 by 5 p.m. ET**, and the winner of the contest will be announced on Wednesday, December 21 – the first day of winter.

Please remember:

- Photos must be high-quality.
- Photos must be taken by the person submitting the photo.
- By submitting your photo to the contest, you represent that you took the photo and are giving Sen. Peters' office permission to display the photo, without compensation to you, in various forms of our media, including on our Facebook page.

I look forward to seeing all of your beautiful pictures from around our beautiful state!
