

Local Projects Requested by Senator Peters Included in the FY2023 Government Funding Bill

U.S. Senator Gary Peters

WATER INFRASTRUCTURE INVESTMENTS

Alpena County Regional MRF, Multi-Stream Recycling Facility

Recipient: County of Alpena

Project Location: Alpena, Michigan

Funding Received: \$2,700,000

Project Description: The funding will be used to support the construction of an 11,700 square-foot Material Recovery Facility for the purpose of providing feedstock to manufacturing companies in northern Michigan, as well as throughout the state and beyond.

Berlin Charter Township for a Waste Water Discharge Line Project

Recipient: Berlin Charter Township

Project Location: Newport, Michigan

Funding Received: \$3,040,000

Project Description: This funding will be used to support an investment in the Berlin Township Water and Sewer Department Wastewater Treatment Plant, including the replacement of the effluent forcemain and its appurtenances.

Charter Township of Chesterfield Maurice DeMuyneck Anchor Bay Pump Station Repair

Recipient: Charter Township of Chesterfield

Project Location: Chesterfield, Michigan

Funding Received: \$4,000,000

Project Description: This funding will support the Maurice DeMuyneck Anchor Bay Pump Station Repair project.

City of Benton Harbor for Water System Improvements

Recipient: City of Benton Harbor

Project Location: Benton Harbor, MI

Funding Received: \$800,000

Project Description: This funding will be used to make necessary improvements to the City of Benton Harbor water system.

City of Grand Rapids Water Resource Recovery Facility Groundwater Treatment Project

Recipient: City of Grand Rapids

Project Location: Grand Rapids, Michigan

Funding Received: \$1,700,000

Project Description: This funding will be used to remediate PFAS in the soil and groundwater left by historical incinerator residuals.

Local Projects Requested by Senator Peters Included in the FY2023 Government Funding Bill

City of Hamtramck for Water System Improvements

Recipient: City of Hamtramck

Project Location: Hamtramck, Michigan

Funding Received: \$3,452,972

Project Description: This funding will be used to support the City of Hamtramck in replacing lead service lines in the city.

City of Midland Sylvan Pump Station Detention Basin Project

Recipient: City of Midland

Project Location: Midland, Michigan

Funding Received: \$1,000,000

Project Description: This funding will be used to support the City of Midland's planned Sylvan Pump Station Detention Basin project, which will benefit a sizable number of residents.

City of St. Clair Water Tower/Booster Station Project

Recipient: City of St. Clair

Project Location: St. Clair, Michigan

Funding Received: \$1,000,000

Project Description: This funding will be used to support improvements to the City of St. Clair Water Tower/Booster Station, which are necessary to meet fire flow protection requirements as well as provide adequate pressure throughout the water distribution system.

Grand Rapids Flood Protection

Recipient: Army Corps of Engineers

Project Location: Grand Rapids, Michigan

Funding Received: \$100,000

Project Description: The funding will be used to enhance flood protection along the Grand River in downtown Grand Rapids.

Recipient: Macomb County Public Works

Project Location: Clinton Township

Funding Received: \$1,600,000

Project Description: This funding will be used to support a pilot project to halt pollution before it reaches Lake St. Clair which has shown very promising results.

Macomb County-North Branch of the Clinton River Floodplain Acquisition

Recipient: Macomb County

Project Location: Macomb County, Michigan

Funding Received: \$1,000,000

Project Description: This funding will be used to support the Macomb County-North Branch of the Clinton River Floodplain Plan.

Marquette County for KI Sawyer Clean and Safe Water Initiative

Recipient: Marquette County

Project Location: Marquette, Michigan

Funding Received: \$1,500,000

Project Description: This funding will be used to assist Marquette County in properly managing and disposing of approximately two million gallons of per and polyfluoroalkyl (PFAS) contaminated wastewater treatment plant sludge at K.I. Sawyer, a former Air Force Military Base.

Michigan Combined Sewer Overflows, Lansing, MI

Recipient: Army Corps of Engineers

Project Location: Lansing, Michigan

Funding Received: \$6,000,000

Project Description: The funding would be used to facilitate separation of four blocks of combined sewers along two streets in downtown Lansing, including replacement of other underground facilities and the road surface above the sewers.

Local Projects Requested by Senator Peters Included in the FY2023 Government Funding Bill

Midland County Flood Plain Reconnection and Enhancement Project

Recipient: County of Midland

Project Location: Midland, Michigan

Funding Received: \$55,000

Project Description: The funding will be used to support a project to create ecologically functional floodplains and to improve stormwater drainage, allowing stormwater to flow into formerly disconnected floodplains.

Menominee River Navigation Improvements, MI & WI

Recipient: Army Corps of Engineers

Project Location: Menominee, Michigan

Funding Received: \$600,000

Project Description: The funding would be used by the U.S. Army Corps of Engineers to complete a feasibility study, or general investigation, into potential harbor infrastructure improvements in the Menominee-Marquette Harbor waterway.

Oscoda Charter Township for Water Distribution System for Potable Water

Recipient: Oscoda Charter Township

Project Location: Oscoda, Michigan

Funding Received: \$3,000,000

Project Description: This funding will be used to provide safe, potable water/sewers/roadways for residential, commercial, industrial, and public use areas throughout Oscoda Charter Township.

Township of Clay M—29 Water Main Replacement Project

Recipient: Township of Clay

Project Location: Algonac, Michigan

Funding Received: \$2,500,000

Project Description: This funding will support the M-29 Water Main Replacement Project.

EDUCATION, SKILLS TRAINING, & WORKFORCE DEVELOPMENT

Advance Peace

Recipient: Ingham County Health Department

Project Location: Lansing, Michigan

Funding Received: \$500,000

Project Description: The funding would be used to support Advance Peace via case management, educational and travel opportunities, life skills training, subsidized employment and trauma therapy.

Local Projects Requested by Senator Peters Included in the FY2023 Government Funding Bill

Challenger Learning Center at SC4 – Equipment Support

Recipient: St. Clair County Community College

Project Location: Port Huron, Michigan

Funding Received: \$955,000 Project

Description: This funding will be used to acquire interactive equipment which students use to engage in STEM learning.

Electric Battery Technician & Electric Charging Station Maintenance Curriculum/Lab Project

Recipient: Washtenaw Community College

Project Location: Ann Arbor, Michigan

Funding Received: \$2,522,000

Project Description: This funding will support the development of an electric battery and electric charging station maintenance/skills training program that addresses workforce needs in the movement to electrification.

Equipment to Improve Educational Opportunities for In-Demand Jobs

Recipient: Mott Community College

Project Location: Flint, Michigan

Funding Received: \$650,000

Project Description: This funding will support the purchase of equipment to improve educational opportunities for in-demand jobs.

Expansion of Service-Learning for Wayne-Westland Community Schools District Recipient:

Wayne-Westland Community Schools District

Project Location: Westland, Michigan

Funding Received: \$3,500,000

Project Description: The funding is intended to renovate and repurpose a vacant school building, Marshall Upper Elementary School, into a recreation and community center that will provide early childhood learning, STEM programming, senior services and other community and family services for residents.

Ferris State Center for Virtual Learning

Recipient: Ferris State University

Project Location: Big Rapids, Michigan

Funding Received: \$1,000,000

Project Description: The funding would be used to support phase two of construction, specifically toward equipping and installing the technology and isolated network capacity essential to maximize the potential of the Center, a 64,000-square-foot facility that will serve as one of the core academic buildings on the campus quad.

Local Projects Requested by Senator Peters Included in the FY2023 Government Funding Bill

Grand Rapids Community College Center for Automation

Recipient: Grand Rapids Community College

Project Location: Grand Rapids, Michigan

Funding Received: \$998,000

Project Description: This funding will support the development of an automated training laboratory, including the purchase of equipment.

Monroe County Community College - Nursing and Respiratory Therapy Labs

Recipient: Monroe County Community College

Project Location: Monroe, Michigan

Funding Received: \$667,000

Project Description: This funding will support the expansion of the Health Science program to address healthcare workforce needs.

Pipeline to Mobility Electric Vehicle Careers

Recipient: Wayne County Community College

Project Location: Detroit, Michigan

Funding Received: \$330,000

Project Description: This funding will support the creation a mobility certification program focused on Automotive Electrification and Testing.

STEM Astronomy Program Development

Recipient: Jackson College

Project Location: Jackson, Michigan

Funding Received: \$377,000

Project Description: This funding will support the purchase of equipment for a new astronomy and astrophysics program that is designed meet in-demand industry needs.

The Career and Technical Education Enhancement (CATEE) Complex

Recipient: North Central Michigan College

Project Location: Petoskey, Michigan

Funding Received: \$2,000,000

Project Description: This funding will provide facilities and equipment support to scale the school's Nursing, Allied Health, and Skilled Trades programs.

WKAR/Lansing School District Family Technology Center

Recipient: Michigan State University (on behalf WKAR Public Media)

Project Location: East Lansing, Michigan

Funding Received: \$1,425,000

Project Description: This funding will support the development of a family technology center and the improvement of online learning, including purchase of equipment.

Local Projects Requested by Senator Peters Included in the FY2023 Government Funding Bill

PUBLIC SAFETY & CRIMINAL JUSTICE

Clinton Township Police Social Worker

Recipient: Charter Township of Clinton

Project Location: Clinton Township, Michigan

Funding Received: \$675,000

Project Description: This funding would be used to supplement Clinton Township's existing police department with a social worker, who would offer assistance and expertise when the police are called upon to assist in mental health matters.

Northern Michigan Law Enforcement Training Group Capital Improvement Plan Recipient:

Northern Michigan Law Enforcement Training Group

Project Location: Grayling, Michigan

Funding Received: \$1,000,000

Project Description: This funding would support the Northern Michigan Law Enforcement Training Group's Capital Improvement Plan.

ROADS, TRANSPORTATION, & CONNECTIVITY INFRASTRUCTURE

Base Street Bridge Rehabilitation

Recipient: City of New Baltimore

Project Location: New Baltimore, Michigan

Funding Received: \$750,000

Project Description: This funding will be used to support the Base Street Bridge Rehabilitation project.

Brown, Giddings, Silverbell Roads - Orion Township Industrial Corridor

Recipient: The Road Commission for Oakland County

Project Location: Oakland County

Funding Received: \$1,000,000

Project Description: This funding will help rehabilitate, reconstruct and resurface Brown Road from Jamm Road to Giddings Road; Giddings Road from Brown Road to Silverbell Road; and Silverbell Road from Giddings Road to M-24.

Local Projects Requested by Senator Peters Included in the FY2023 Government Funding Bill

City of Munising—Washington Street Streetscape

Recipient: City of Munising

Project Location: Munising, Michigan

Funding Received: \$2,000,000

Project Description: The funding will be used to reconstruct approximately 2,800 feet of Washington Street from the intersection of H-58 to the Munising Falls Visitor Center.

Five Point Highway Reconstruction Project

Recipient: Eaton County Road Commission

Project Location: Eaton County

Funding Received: \$2,382,000

Project Description: This funding will support the Five Point Highway reconstruction project.

Gerald R. Ford International Airport (GRR) Air Traffic Control Tower Replacement

Recipient: Gerald R. Ford International Airport Authority

Project Location: Kent County

Funding Received: \$5,000,000

Project Description: This funding will support a new Air Traffic Control Tower (ATCT) at the Gerald R. Ford International Airport.

Golf Drive Reconstruction

Recipient: City of Pontiac

Project Location: City of Pontiac

Funding Received: \$3,200,000

Project Description: This funding will support the reconstruction of 1.2 miles of Golf Drive from Old Telegraph to Fairfax to Bagley and reconstruction of 1 mile of Bagley Street from Golf Drive to Orchard Lake Road.

Joe Louis Greenway West Chicago Connector

Recipient: City of Detroit

Project Location: Detroit

Funding Received: \$1,386,216

Project Description: This funding will support the Joe Louis Greenway project West Chicago Connector in Detroit, Michigan.

King Road Bridge Replacement

Recipient: St. Clair County Road Commission

Project Location: St. Clair County

Funding Received: \$1,000,000

Project Description: This funding will support the SCCRC King Road Bridge replacement.

Local Projects Requested by Senator Peters Included in the FY2023 Government Funding Bill

Mound Road/Detroit Arsenal Connector Project

Recipient: Macomb County

Project Location: Macomb County

Funding Received: \$2,500,000

Project Description: This funding will support the Mound Road/Detroit Arsenal Connector Project in Macomb County.

Pennsylvania Road Grade Separation

Recipient: Detroit Region Aerotropolis Development Corp.

Project Location: Wayne County

Funding Received: \$865,775

Project Description: This funding would lift Pennsylvania Road above the CSX rail tracks to improve public safety and achieve multimodal transportation objectives without severe blockages.

HEALTH CARE

Bay County Health and Human Services Complex

Recipient: County of Bay

Project Location: Bay City, Michigan

Funding Received: \$2,000,000

Project Description: This funding will support the development of a new community-based health center that will bolster health and human services through integrated efforts.

Oakland County Health Division

Recipient: Oakland County Health Division

Project Location: Pontiac, Michigan

Funding Received: \$1,200,000

Project Description: This funding will support the development of a Health Division Laboratory facility expansion, equipped with advanced technology to meet the growing public health needs of the community.

Stockbridge Area Health Center

Recipient: Stockbridge Community Schools

Project Location: Stockbridge, Michigan

Funding Received: \$2,500,000

Project Description: This funding will support the purchase of equipment for a new school-based health center.

Local Projects Requested by Senator Peters Included in the FY2023 Government Funding Bill

ENERGY

Carbon Neutral Ann Arbor

Recipient: City of Ann Arbor

Project Location: Ann Arbor, Michigan

Funding Received: \$2,500,000

Project Description: This funding will support the City of Ann Arbor's Carbon Neutral project.

Enhancing the Royal Oak Farmers Market as a Community Resiliency Hub

Recipient: City of Royal Oak

Project Location: Royal Oak, Michigan

Funding Received: \$411,000

Project Description: The funding would be used to convert the city of Royal Oak's very public-facing farmers market into a community-supporting resilience hub by installing approximately 160 kW of solar PV and 120 kW battery bank storage.

Grand Traverse Band Energy Conservation Project to Address Member Health and Safety and Combat Climate Change

Recipient: Grand Traverse Band of Ottawa and Chippewa Indians

Project Location: Washington, Michigan

Funding Received: \$750,000

Project Description: This funding will be used to conduct an energy audit and conduct efficiency improvements on tribal buildings that are eligible for the Department of Housing and Urban Development's Community Development Fund/Economic Development Initiative.

OTHER

City of Westland Strengthening Families Program

Recipient: City of Westland

Project Location: Westland, Michigan

Funding Received: \$30,000

Project Description: This funding will be used to implement a Strengthening Families Program focusing upon 10-12 year old children and their parent(s)/guardian(s).

MSU Child Development Laboratories (CDL) Community Expansion

Recipient: Michigan State University

Project Location: East Lansing, Michigan

Funding Received: \$1,287,500

Project Description: This funding will be used to open a new Lansing-based site serving the families of up to 144 infants, toddlers and preschoolers -- including children with special needs.

Local Projects Requested by Senator Peters Included in the FY2023 Government Funding Bill

Ovation Center for Music & Arts

Recipient: City of Lansing

Project Location: Lansing, Michigan

Funding Received: \$750,000

Project Description: This funding will support a concert venue and space for residents and visitors alike to enjoy and create art in Downtown Lansing.
